Pope John Paul II Catholic School's Mission Statement

Pope John Paul II Catholic School is dedicated to forming the hearts and minds of students according to the teachings of the Catholic Faith and the highest standards of academic excellence.

His Holiness Pope John Paul II

Karol Jozef Wojtyta, known as John Paul II since his October 1978 election to the papacy, was born in the Polish town of Wadowice on May 18, 1920. He was the youngest of three children born to Karol Wojtkta and Emilia Kaczorowska. His mother died in 1929. His eldest brother Edmund, a doctor, died in 1932 and his father, a non-commissioned army officer died in 1941. A sister, Olga, had died before he was born.

He was baptized on June 20, 1920, made his First Holy Communion at age 9, and was confirmed at 18. After high school, he enrolled in college and studied drama. In 1942, aware of his call to the priesthood, he began courses in the clandestine seminary of Krakow, run by Cardinal Adam Stefan Sapieha, archbishop of Krakow.

After the Second World War, he continued his studies in the major seminary of Krakow, and he was ordained to the priesthood on November 1, 1946. Shortly afterwards, he worked in Rome and finished his doctorate in theology in 1948 with

a thesis on the subject of faith in the works of St. John of the Cross. In 1948 he returned to Poland and was vicar of various parishes in Krakow.

On July 4, 1958, he was appointed titular bishop of Ombi and auxiliary of Krakow by Pope Pius XII, and was consecrated September 28, 1958, in Wawel Cathedral, Krakow, by Archbishop Eugeniusz Baziak. On January 13, 1964, Pope Paul VI, who made him a cardinal June 26, 1967, appointed him archbishop of Krakow.

The Cardinals elected him Pope at the Conclave October 16, 1978, and he took the name of John Paul II. On October 22, the Lord's Day, he solemnly inaugurated his Petrine ministry as the 263rd successor to the Apostle. His pontificate, one of the longest in the history of the Church, lasted nearly 27 years.

Driven by his pastoral solicitude for all Churches and by a sense of openness and charity to the entire human race, John Paul II exercised the Petrine ministry with a tireless missionary spirit, dedicating it all his energy. He made 104 pastoral visits outside Italy and 146 within Italy. As bishop of Rome he visited 317 of the city's 333 parishes.

His love for young people brought him to establish the World Youth Days. The 19 World Youth Days celebrated during his pontificate brought together millions of young people from all over the world. At the same time his care for the family was expressed in the World Meetings of Families, which he initiated in 1994.

John Paul II successfully encouraged dialogue with the Jews and with the representatives of the other religions, prepared us for the third millennium, and promoted the spiritual renewal of the church.

In the light of Christ risen from the dead, on April 2, 2005, at 9:37 pm, while Saturday was drawing to a close and the Lord's Day was already beginning, during the Octave of Easter and Divine Mercy Sunday, the Church's beloved Pastor, John Paul II, departed this world for the Father.

WELCOME

It is our pleasure to welcome you to Pope John Paul II Catholic School. Our mission is to create a quality education within a Catholic environment that fosters the development of the whole child.

An education at Pope John Paul II Catholic School integrates academic instruction in the message of Jesus, Catholic doctrine, values, moral standards and attitudes.

This education will help the students develop the moral, spiritual, and intellectual character necessary to meet the challenges and opportunities they will face in a complex world. They will be provided the opportunity to grow and develop in the knowledge and love of a Triune God. Pope John Paul II Catholic School will afford students the best opportunity to realize the threefold purpose of Christian education: message, community, and service.

Philosophy of Pope John Paul II School Educators

- We believe a quality Catholic Education calls us to integrate Gospel teachings and values with real life.
- We believe all secular subjects need to be taught in the light of these values.
- We recognize and accept that parents are the primary educators of their children; therefore, we work closely with parents in all areas of the students' growth.
- We believe students of all faiths, ethnic origins, and economic levels contribute to the world community and thus we welcome these students and strive to reflect the dignity of each person.
- We believe that prayer and worship within the total life of the school and parish community nourish faith shared with parents, teachers, and students.
- We believe students reach their individual potential by thinking clearly, forming strong convictions, and acting in ways consistent with their beliefs for the betterment of their own lives, their Church, and society as a whole.

Pope John Paul II Catholic School is a traditional Catholic school, faithful to the teaching magisterium of the Church. We install moral and intellectual virtues in a safe, nurturing environment for all students, and we dedicate ourselves to these principles:

- God is the beginning and end of human existence.
- Education is essentially a moral endeavor.
- The subject of education is the student.
- Teaching is an intimate communication between souls.
- Parents bear primary responsibility for the education of their children.

Accreditation

Pope John Paul II School is accredited by the Southern Association of Colleges and Schools and the state of North Carolina.

About our school

Pope John Paul II Catholic School is a pre-Kindergarten (a full day pre-Kindergarten class is offered in addition to Kindergarten) through 8th grade Catholic Elementary and Middle School under the Diocese of Raleigh Schools Office .

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teacher. Vatican II texts are used so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Pope John Paul II, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of North Carolina guidelines, are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program that makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

Parent's Role in Education

We, at Pope John Paul II School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life – physically, mentally, spiritually, emotionally, and psychologically. Your choice of Pope John Paul II School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Pope John Paul II School, we trust you will be loyal to this commitment. During these formative years, your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits that provide a young person with both guidance and security.

It is essential that children take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

Parents as Partners

As partners in the educational process at Pope John Paul II School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has a nutritional sack lunch every day.

To actively participate in school activities such as Parent-Teacher Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school with a written note when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situation regarding the student's well-being, safety, and health;

To complete and return to school any requested information promptly;

To read school notes and newsletters and to show interest in the student's total education;

To support the religious and educational goals of the school;

To support and cooperate with the discipline policy of the school; and

To treat teachers with respect and courtesy in discussing student problems.

Parent Teacher Organization

Pope John Paul II School Parent Teacher Organization works to support and enhance the educational ministry of the school. Fund-raising, parent education, and building community are goals of this organization.

By-Laws for the PTO are available on request.

The school doors are opened for students at 7:50 AM. Students may arrive on campus at 7:30 AM.

K – 8TH Grades arrive at 7:50 AM.

Pre-K students may not arrive before 8:00 AM and must be signed in & out by parent/guardian.

Students not in their homeroom at 8:00 AM are considered tardy and must be signed in by a parent/guardian. A late pass will be issued.

Three (3) tardies or three (3) early withdrawals are considered a one-half day absence. Excessive tardies will have a direct impact on a student's academic evaluation and promotion to the next grade.

Dismissal

- Pre-K will dismiss at 2:30 pm (Pre-K student must be signed out daily)
- K – 4 will dismiss at 3:00 pm
- 5 – 8 will dismiss at 3:15 pm

Students must be picked up no later than 10 minutes after the oldest child is dismissed. Students not picked up by this time will be sent to aftercare, and you will be charged per child. (see below) Please check the school calendar and weekly newsletter for early dismissal dates.

Parents are to make arrangements for their child(ren) to arrive at school on time and be picked up at dismissal time. Students who are not picked up by 5:30 PM will receive:

1. a phone call reminding you to pick up your students on time
2. a registered letter reminding you that failure to pick up your child on time constitutes neglect.

If you will be utilizing after school care daily, payment can be made in advance the first of each month at a cost of \$160. Additionally, a fee of \$1.00 per minute is charged for students remaining in the program after 5:30PM.

School Office Hours

The school office is open on all school days from **8:00 AM – 3:30 PM**.

School Visitors

School visitors (volunteers, parents, etc.) must come to the main office. For safety and security reasons, each person is required to sign in at the office when he/she enters the building for any reason. All visitors and/or volunteers are required to

wear a designated badge that may be picked up in the office. Visitors and/or volunteers are to return the nametags and sign out at the time of departure.

Attendance

A student's absence from school interferes with his/her academic progress.

Absence

When a student is absent from school, a parent should call the office by 8:30 AM each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Pope John Paul II students.

If a parent or legal guardian is not reached by telephone, a written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:15 PM – 3:30 PM.

For short absences, students should make arrangement with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment is required to be given in anticipation of the vacation.

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

Excessive absence can be cause for a student to be retained in the current grade for another year.

Absence During the School Day

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment of 3 ½ hours or more will be counted as absent for ½ a day. Three (3) early withdrawals each of which are less than 3 ½ hours are considered a one-half day absence.

Academic Information

Curriculum

The Diocesan curriculum guidelines, consistent with the State of North Carolina guidelines, are followed for the teaching of all secular subject areas. For a copy of the curriculum you may request a copy from the school or visit the Diocese of Raleigh website – <http://www.dioceseofraleigh.org/> .

Grading Scale

A = 93 – 100
B = 85 – 92
C = 75 – 84
D = 65 – 74
F = 64 or below

Report Cards/Progress Reports

Report Cards are important tools for communication. Report Cards will be given four (4) times during the academic school year or approximately every nine (9) weeks.

Progress Reports will be given mid-way between each nine-week grading period.

Parent/Teacher/Student Conferences

Two Parent-Teacher-Student Conferences are held each year. Student attendance with parents is mandatory. Conference days for children will be counted as school days. School is not in session during conferences.

Conference schedules are prepared and issued by the school office well in advance of the scheduled date. Parents requiring additional conferences during the school year may make arrangements with the individual teachers. Progress reports are issued quarterly.

Student Records

Pope John Paul II School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent through the US Mail. No records will be given to parents to transport to the new school.

Students requesting records/transcripts/recommendations must make a five school-day request to the School Office. All forms should be submitted to the Pope John Paul II School Office for distribution. Completed forms will be sent via the U.S. Mail. Special handling will require that the parents pay all postal fees.

Testing

Students will not be permitted to retake a quiz or a test in order to improve their academic standing.

The Iowa Test of Basic Skills is given in Grades K through 6. The ACRE Test (Assessment of Catechesis Religious Education) may be given to students in Grade 5.

Middle School students (Grades 5 - 8) may be given a **maximum of three quizzes or tests per day.**

Promotion Policy and Retention Policy

Advancement to the next grade in Pope John Paul II School is based on a student's daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade.

Academic Probation

A student whose academic performance indicates serious deficiencies may be placed on academic probation. Academic probation impacts a student's ability to participate in extra-curricular activities.

Homework

Formal home study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

Homework may be assigned to students Monday through Thursday. Homework will not be assigned to students on Friday evening.

Homework Policy Due to Illness

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

Field Trips

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. All grades do not always have the same number of field trips.
3. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
4. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
5. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
6. A field trip permission slip is printed at the end of this book. This is the only format that may be used to allow a student to leave school during school hours. If your child fails to bring his/her permission slip home, you may tear out and use or copy the form provided. Call the school for information needed to complete the form. **Note:** a fax does not take the place of an original signature.
7. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.
8. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and may be marked absent for the day.
9. Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
10. All monies collected for the field trip are **non-refundable**.
11. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.

Sacramental Program

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Pope John Paul II School. Preparations for two sacraments, Reconciliation and Eucharist, form the core of our efforts in Grade 2. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to First Eucharist.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation and Eucharist are only conferred to students baptized in the Roman Catholic tradition.

Lunch

Students should not bring glass bottles, soft drinks or excessive amounts of candy. **Parents should not bring lunches or drinks from carry-out restaurants.**

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

TELECOMMUNICATIONS USE AGREEMENT

Telecommunications Use Agreement

Adapted from NCEA's From the Chalkboard to the Chat room, 2001

As a computer user, I agree to follow the rules and code of ethics in all of my work with computers while attending Pope John Paul II Catholic School:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, and discs that are provided by the school. When I am in the computer lab, I will talk softly and work in ways that will not disturb other users. I will keep my computer work area clean and will not eat or drink in the computer lab.
2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, games, or CD-ROMs from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.
3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.

4. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource. Students are never permitted to type a web address/URL into a web browser.

As a user of a network, I will not use bulletin boards nor chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

5. Parents must realize that their students may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of believe that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.

6. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for any damage cause by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
