We are also delighted to share some exciting news! An anonymous donor has gifted \$1 million to our Capital Campaign. This extraordinary generosity fills us with gratitude and hope and reminds us of the remarkable things we can accomplish when we work together for the good of our students and our mission.

Dear SJPII Families,

Fr. Kane, Pastor of St. Anthony's Parish, celebrated Mass with our school community this week. His homily opened with the question, *"Do you know someone who is powerful?"* He explained that true power comes with great responsibility, quoting Spiderman: *"With power comes responsibility."* Fr. Kane encouraged our students to thank their parents and teachers for all they do, just as the one healed Samaritan returned to thank Jesus for curing him of leprosy. He reminded all of us to "be the one" who remembers to say, *"Thank you!"*

We had the privilege of honoring the military members within our school community. Our students sang a patriotic song, and we enjoyed a heartfelt slideshow featuring our military families. We applauded the service members who were able to attend, expressing our gratitude for their selfless service to our country and to all of us.

As we move into the second quarter, SJPII remains dedicated to its mission of nurturing **spiritual growth, promoting academic excellence, encouraging personal responsibility, and inspiring service to others.**

May God bless you and your loved ones for all you do to support our mission!

Pax vobiscum,

Marian V. Kajfez
