For God, all things are possible Matthew 19:26

Virtue of the Week: Kindness. Expressing genuine concern about the well-being of others; anticipating their needs

Dear SJPII Families,

On Wednesday, we were blessed to celebrate Mass with Fr. Forbes, Pastoral Administrator and Pastor of Sacred Heart Church. In his homily, he reminded us that when we aren't chosen for something, it may be because God is calling us to a different purpose. He also reflected on the beautiful truth that we have all been chosen—to love one another and to remain in God's love by keeping His commandments. We also celebrated the sacrament of the Eucharist with our second-grade First Communicants from both St. Anthony of Padua and Sacred Heart Parishes. At the conclusion of Mass, Skylar Fogle crowned our Blessed Mother Mary with a beautiful crown designed by Catherine Canada, mother of Henry and Scarlett, and carried in procession by Luca Stivers. During the celebration, we took a moment to honor Tom Ross, a generous benefactor, and express our gratitude for the donations made to SJPII in his memory following his passing in January. His legacy continues to bless our school community.

Last Tuesday, our eighth graders enjoyed a fun and spirited visit to Belle Meade, where they played intergenerational chair volleyball with the residents. The friendly competition ended with three exciting games—SJPII won one, while the Belle Meade residents claimed victory in the other two! Refreshments were generously provided by Belle Meade, and everyone had a wonderful time sharing laughs and building connections.

Next week, our eighth graders will embark on their class field trip (May 20–22) for a memorable experience of team building and fellowship as they visit several sites near Asheville, NC. Please keep them in your prayers for safe travels, good weather, and a joyful, enriching trip as they celebrate the final weeks of their time at SJPII.

Pax vobiscum, Marian V. Kajfez, Principal
