Dear SJPII Families,

This Wednesday, our school community was blessed to celebrate Mass with Fr. Forbes, Pastor of Sacred Heart Parish. In his homily, he reflected on the first reading and reminded us that when we feel challenged, we should resist responding with anger and instead pause to consider how those words might help us grow and improve. Continuing with the Gospel, Fr. John reminded us that Jesus foretold His suffering, something we could not prevent or manage for Him. Rather than focusing on what others should do for us, we are called to be attentive to one another and offer help where it is needed. He encouraged us to follow the example of Christ, who came not to be served, but to serve.

Our SJPII Lenten Fish Fry continues to grow each week! This Friday, we will honor our community servers, and a fire truck will be on campus for families to explore. We invite you to join us for a delicious meal and meaningful fellowship with members of our school and parish community. Please see the attached flyer for menu details.

We also ask families to support our food drive, with donations benefiting Sacred Heart's San Juan Diego Mission and St. Anthony's Food Pantry. Through these efforts, we live out our mission of preparing the hearts and minds of our students for spiritual growth, academic excellence, personal responsibility, and service to others in accordance with the teachings of the Roman Catholic Church.

May God's blessings be with you and your family. ✝️

Pax vobiscum,

Marian V. Kajfez
