Shoutouts

Thank you to our amazing SJPII staff for all you give each and every day to our students!

Remember to submit Family Handbook signature pages as soon as possible!

Dear SJPII Families,

Fr. Pete, from Fort Bragg, celebrated Mass with us this week, and we are grateful to Mrs. Posada for arranging this while the Diocese of Raleigh priests were away on retreat. In his homily, Fr. Pete reflected on Galileo and his claim that the planets circle the sun rather than the Earth. He spoke about St. Robert Bellarmine and the eventual vindication of Galileo when science confirmed the truth of his discoveries about the universe.

We remain committed to our mission of fostering **spiritual growth, academic excellence, personal responsibility, and service to others**. As part of that commitment, please take a moment to review the safety email that was sent earlier today. The well-being of our students, staff, and families is always our top priority.

May you enjoy these last days of summer with joy and peace. God bless!

Pax vobiscum,

Marian V. Kajfez

Principal
