Dear Families,

On Wednesday, our school community was blessed to celebrate Mass with Fr. Kane, Pastor of St. Anthony of Padua Parish. During his homily, Fr. Kane invited students to reflect on the important question, “*How do we protect others?*” Students shared thoughtful responses, including guarding others and helping ensure that no harm comes to them. Fr. Kane spoke about the importance of protecting not only others from physical harm, but also protecting our hearts and souls. Reflecting on the story of Adam and Eve in the Garden of Eden, he discussed how temptation and lies led them to eat the forbidden fruit, and he reminded students to remain aware of falsehoods and to stay rooted in the truth of our Catholic faith. As our students grow and encounter challenges to their beliefs, Fr. Kane encouraged them to trust in God’s protection and remember that they are equipped to defend their faith through kindness, strong relationships, and faithful living.

We continue to make every day count during these final weeks of school, with many enriching and meaningful learning experiences taking place across our campus.

Thank you for your continued support of our school community. Together, we remain committed to forming our students in spiritual growth, academic excellence, personal responsibility, and service to others in accordance with the teachings of the Roman Catholic faith.

Wishing all of our families a blessed Memorial Day weekend filled with rest, gratitude, and time with loved ones as we honor those who have faithfully served our country.

Pax vobiscum,

Marian V. Kajfez
