

The Importance of Parent Volunteers at St. John Paul II Catholic School

At St. John Paul II Catholic Schools, we deeply value the partnership between our families and our school community. One of the most meaningful ways parents can support our mission is through volunteering. Each family is asked to contribute 25 hours of volunteer service throughout the year—and these hours make a lasting impact.

Our events, activities, and daily operations simply wouldn't be the same without the time, talent, and dedication of our parent volunteers. Whether you're helping in the classroom, organizing events, supporting athletics, or lending a hand behind the scenes, your involvement helps create a vibrant, supportive, and faith-filled environment for all our students.

Track It Forward – Your Volunteer Hub

To help make volunteering easier and more organized, we use an online platform called Track It Forward. This site is updated regularly with new volunteer opportunities, so parents can easily sign up for activities that fit their schedule and interests.

Through Track It Forward, you can also keep track of your family's volunteer hours. It's a simple way to see how many hours you've completed toward the 25-hour requirement.

We encourage all parents to check the site often and get involved—your time and talents are truly appreciated!
